

### REMARKS

The Communication asserts that the application contains sequence disclosures that are encompassed by the definitions for nucleotide and/or amino acid sequences. Applicants have amended the application to include the Sequence Listing which contains the nucleotide and/or amino acid sequences disclosed in the application. Pages 1-69 are provided to comply with the Sequence Rules. Enclosed is a copy of: the Notification of Missing Requirements, a Statement to Support Filing and Submission, and a computer readable form (CRF). No new matter has been added. In addition, the contents of the paper copy of the Sequence Listing and computer readable copy of the Sequence Listing are the same.

Applicants respectfully submit that the claims are in condition for allowance. An early notice of the same is earnestly solicited.

Respectfully submitted,
